CLASS PROPHECY

It is now the year 2055 and we find ourselves cruising through the mass of darkness called space.

What's this we see; a flash of light? Could it be? It is, a planet! Shall we stop here and see if there is any sign of life?

Here we have landed and what do we see before our eyes? Why it's a huge gate with a sign reading, "WELCOME TO MARS—FOUNDED BY THE BUCKEYE SENIOR CLASS OF 1955." If we would take time to inquire as to how the class of '55 happened upon Mars, we would find out that this brilliant group of minds decided they were going to find a Utopia of their own, and by doing so came across Mars where they have now all settled to live.

Oh, there's the gate keeper now. Let's go up and talk to him. Why, look who it is; none other than Barney Walters, and he's offered to take us to meet the governor.

My, isn't this a strange city. Over there's a stand for "Super Planetary" Milk Shakes (proprietor Bill Gunkelman), product of Gunkelman's cows. It must be he's profiting very nicely according to that line.

There on the left is the government building. As yet Mars has not received its statehood from the U. S. Congress, but it is expecting it any day now.

As we enter the reception room we notice that Naomi Haring is the receptionist. There are also many lovely secretaries here. Shall we look closer to see who they are? There's Etta Bright typing a letter, Marlene Dieterich looking at her shorthand notes, and Joanne Gerchak sharpening pencils.

Much to our surprise when Naomi showed us into the Governor's office there we saw seated with his feet upon the desk, Kenny Lizotte, nibbling at his usual supply of candy.

With a great welcome from Governor Lizotte we begin our tour of the city. But first a call in for the chauffeur . . . naturally we will make this call by visa-phone; and whom do we sight on the screen but owner and operator of the company, Virginia Holly. She's still plugging away at it. Here's Wilbur Orth with the car now.

And we've now begun our tour. As we pass the treasury building Governor Lizotte informs us that the big money man, Bob Nichols, is still at it and is now head of the Treasury Department. These people on Mars are really prospering. We noticed some of the following store signs: "The B&B Dress Shoppe" (owned and operated by Jackie Bushek and Mary Ann Bedlivy), and "Jean Hines' Beauty Salon." Shall we look in and see if there's anyone we know. Why there's Carol Bellamy (nee Carol Miller) having her nails manicured by Alice Parker. Mary Ellen Nichols is giving Joan Hines (now Mrs. Darrell Jenkins) a permanent. (Must be she got a baby sitter!) And there's Charlene Turner (now Mrs. Johnny Abend); wouldn't you know it? She's having her hair cut again, still shorter. And look who just walked in, Mrs. Lynn Smith (used to be Hendrickson if you remember) with her two little darlings. Well there's a lot more to see so we'd better be moving along.

My what a beautiful school they have here! Looks like the plans Buckeye had. If we would enter the school we'd see that the faculty that taught the Seniors of '55 are teaching the new generation. This is made possible through the use of the Youth Pill discovered by the twin scientists, Gerry and Jerry Elder. Also there are some new additions to the faculty, among them are Leona Abram, Maryann Koptis, Bertha Browand, Nancee Mack, and Sandra Wolfe. This week Professor James A. Schmidt is visiting and giving lectures. There seems to be quite a bit of activity on the football field, Ray Kemp, now coach, is really giving the boys a workout, with Jeanie Weigel standing by.

From here let's take a drive out into the country. There's the golf course with its usual players being none other than Henry Huttinger, Bruce Kanzeg, George Steimle, and Mike Oberaitis. Looks like they're really becoming pros at this game called golf.

They really go in for farming up here by the looks of some of the huge layouts. The sign on the barn over there reads, Dale Starr's Dairy Farm. The next place happens to be owned by a friend of Dale's—you all remember David Kruggel. Also across the way is Morris Surrarrer's farm.

Oh, there goes a school bus! Why if it isn't Eugene Reusch, following in his father's footsteps.

Well, we'd better be heading back toward town now because it's beginning to get late. Governor Lizotte suggests we stop at Guy Wood's "Morocco Club." In doing so, we have to cross the new bridge Dick Parker just engineered. Certainly is a huge piece of construction.

This part of town is quite a contrast to the quiet countryside of Mars. Listen to that police siren! Shall we investigate? The tables have really turned—Gary Watkins (patrolman Watkins that is) is doing the chasing instead of being chased. He's trying to catch two guys in a souped up V-8 Rocket, it seems he's caught up with them now and as they get out we aren't surprised to see it's Andy and George Steirer. Can you imagine doing 50,000 M. P. H. in a 30,000 M. P. H. speed zone. That's some fast traveling! Oh, Oh, they're getting hauled in. We hear judge, Tom Turner, is pretty rough on speeders.

Here we are at the "Morocco Club" . . . let's ask the doorman, Mark Turner, to park our car. Jim Stoskopf, the head waiter has a reserved table for us. We noticed on coming in that the two top acts tonight are the comedians, Norma Benefit and Sandra Mellert, and those "Green Valley Boys," Gil Calta and Harold Faur. There are quite a few celebrities around. Probably the one most familiar is Peggy Martin, the top fashion model on Mars, and she's also just starting a new modeling school.

We're having a wonderful time, but we must be leaving as we have to have our space-ship gone over before we start back to earth. There's a garage over there owned by Jerry Kingery and Kenny Bargar. If we still have trouble Frank Junker, now a mechanical engineer, could be called in for some real professional service.

But as it is, everything is in order, and nurse, Anna Arnold, has given us our First Aid supplies and we're all ready to blast off for earth.

As we are ready to blast off, we take one last look at this miraculous Utopia of the Buckeye Senior Class of '55 which is now darkened by the dead of night with only the moon and stars above lighting this huge mass of land. We now say farewell to all on Mars, with its gaiety, peacefulness, and most of all, its many memories of its inhabitants. Farewell to it all!

JUNIOR CLASS

Break it up, Phil!
Phil and Marie

The Juniors worked hard this year to earn money for the Junior-Senior Prom and to still have enough left over for a trip next year.

The class had a variety of methods that they used to get this money such as: selling refreshments at the Highland-Buckeye football game and at all the home basketball games, sponsoring the Christmas dance known as the Holiday Snowball Dance, and by presenting the Junior Class Play, "Mr. Coed."

The biggest thrill of the year for the Juniors was the ordering of their class rings.

The class officers were: President, Antionette Molino; Vice President, Jerry Grim; Secretary, Helene West; and Treasurer, Anita Junkar.

Marie and Diane fight it out.

They are butterflies!

"Why, he may walk in any minute."

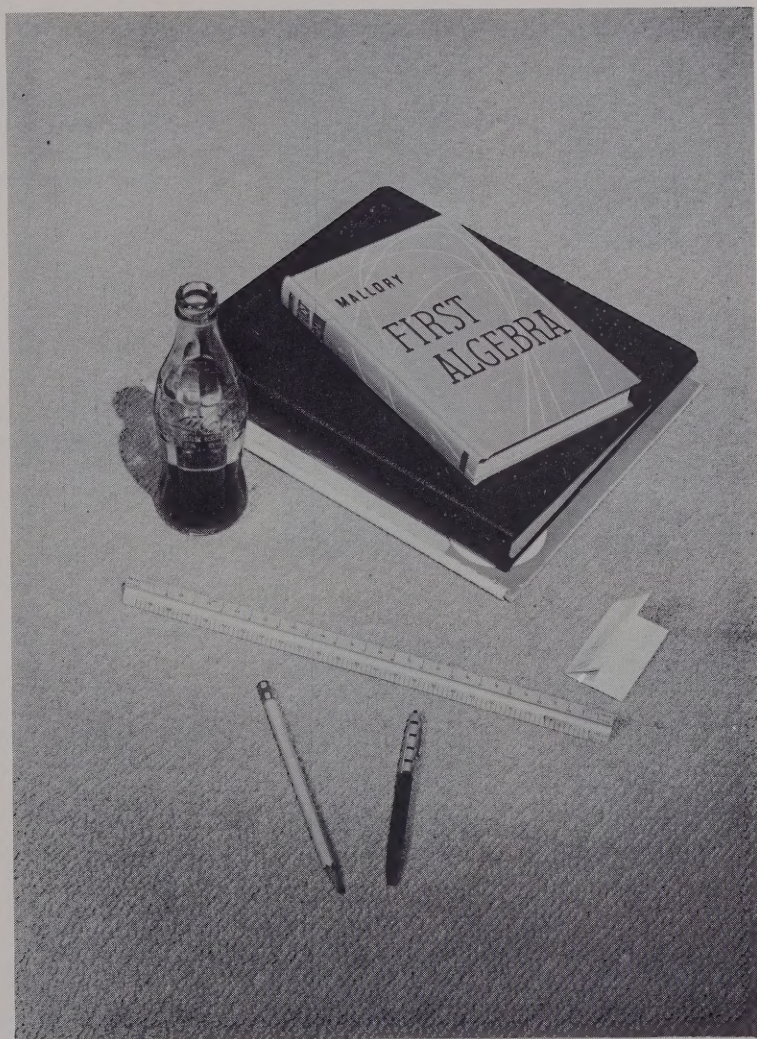

All plays have happy endings.

There were 58 students in the Sophomore class this year. The Sophomores bought gray wool jackets with a blue emblem and the year 57 printed on them. The Sophomore class advisors were Mrs. D'Amico and Mrs. Fialkowski.

The Sophomores participated in all the sports.

The following Sophomores are not pictured in the individual pictures: Don Buettner, Shirley Cochran, Bill Czuprun, Karen Disch, and Al Goldsmith.

They also took part in the Hi-Y and Y-Teens initiations.

This picture proves that the Sophomores have some cute girls, too.

Two Sophomores went out for Reserve Cheerleading and both made it.

SEASON IN REVIEW

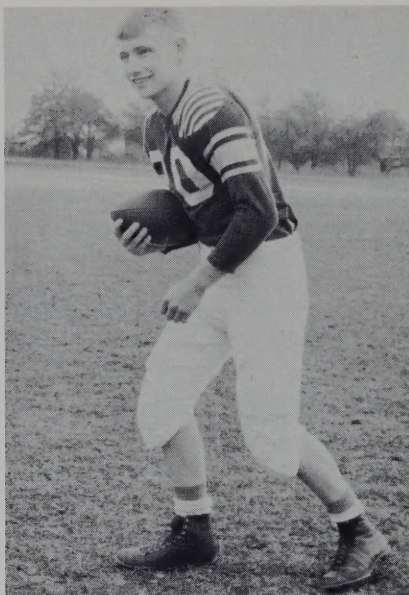

This year our team kicked off to a good start by trouncing Plymouth in our first game of the season. After the fine showing our team made in this first game we were confident that our team would be a terrific threat to all of our opponents.

Keeping our goal line untouched by the next two opponents, we rolled over both Seville and Lodi. Coach Scrivens' Bucks then continued on the rampage by defeating the tough Elyria Catholic team. Rain and mud confining the game mostly to ground plays, we continued to hold our goal line untouched by swamping the Wakeman eleven. The next game with Highland was our homecoming game and the first defeat in 14 starts for Buckeye High.

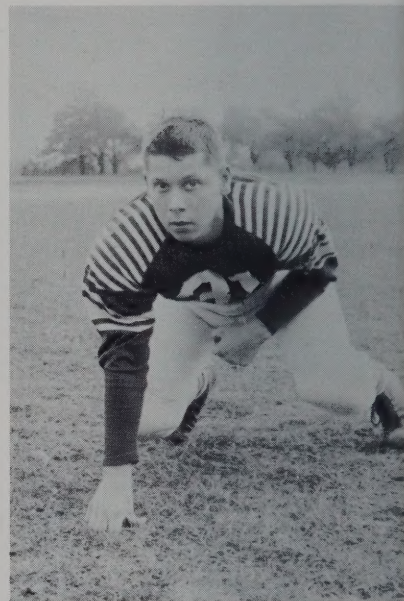

Bouncing back from the Highland defeat the Bucks got back on their feet and again came out on the long end of the score by defeating the Brunswick Blue Devils. It looked as though the Bucks were back in the winning column for good when they emerged from the Norwalk St. Paul game with another victory. However, for the last game of the season the Bucks traveled to Doylestown and with the loss of this game Buckeye finished the season with a record of 7 wins and 2 losses.

HIGHLIGHTS OF THE TEAM

We had a good team this year, but they lacked some of the advantages that the other teams had. Coach Haugh and the team tried to chalk up a good season's record, but lacking height and experience this was hard to do.

Our starting five were Dick Parker, Ken Lizotte, Earle Reutter, Ray Kemp, and Roger Morlock. Our steady senior who got his share of rebounds was Dick Parker. This was Dick's last year of basketball and we're sure that next year's team will miss him. Ken was a good all around basketball player. He was equally good on both offense and defense. Earle was our high point man. Although he was only a Sophomore, he played regular varsity and his shooting ability was a help to the team. The player that kept the team moving was Ray. He was also an all around player who could play every position. The only starting Junior was "Rog." Because of his height and experience, Roger will be a lot of help to next year's team as he was to ours. Bill was the substitute who saw almost as much action as the starters. He was a fiery player who added much to the team's success.

Without the help of all the rest of the substitutes: Jerry Otterbacher, Ronald Reinking, Bruce Brintnall, and Hank Frambach, all of whom will be back again next year, our team wouldn't have been able to do as well as they did.

Although they didn't win a lot of games, the team had the other qualities that are important to a good team. They had good sportsmanship and co-operation. Whenever our team played, we were proud of them and our coach.

RESERVE BASKETBALL

First row: Allen Bryenton, Roy Hill, Rollie Haring, Bob Whitehead, Fred Brophy, Louie Stoskopf, Dave Stoskopf, Don Wood, and Johnny Miller.

Second row: Coach Scrivens, Jim Stewart, Lloyd Mayes, Elijah Pohoundis, Bob Jenne, Ray Bright, Gary Bryenton, and Charles Calvert.

The Reserve Basketball team had a record similar to the Varsity's record. They also had 3 wins and 12 losses.

Harriet Smith from Medina Y.W.C.A. spoke to the group. The Sr. Y-Teens gave a style show for the Jr. Y-Teens and other senior members. During February, they went bowling and swimming. They engaged Mr. Clement Browne, from Akron, to give dancing lessons, and also co-sponsored a dance with the Hi-Y. The Hi-Y invited the Y-Teens to go roller skating.

The Junior Y-Teen Club consisted of 45 members of the Freshman and Sophomore classes. This was the first year that the Y-Teens were divided into two groups.

The Junior Y-Teens had Inter-club Council meetings every month at the Y House in Medina. They also saw a style show which was given by the Senior Y-Teens and heard a speaker from Jerusalem who talked about the Christmas in his country. The Junior Y-Teens also went to a swimming party which was given by the Hi-Y.

We also did several things with the Y-Teens. We decorated the school for Christmas and filled a basket of food and toys for a needy family at Christmas time.

As Seniors we gave a western play which was called "M'liss, My Western Miss."

We would also like to thank our class advisors, Mr. Scrivens, Mrs. Campbell, and Mr. Sellers, for their fine job of advising our class. And last, but not least, we want to show our appreciation to Mr. Aho who advised us also and did everything possible to make this year one that we shall long remember.
